WARD 5**

**ROMAN ANTHONY REYNA**

**AGE: 35**

**OCCUPATION:** YMCA Program Director

It is time for change. My name is Roman Anthony Reyna and I have lived in Santa Ana in Ward 5 since birth. I have worked with youth and families in Santa Ana for the past 20 years. I am familiar with city issues.

As a Community Leader I have established a neighborhood association in my area and have assisted in the development of 4 additional neighborhood associations giving those residents a vehicle to voice their concerns.

Promise: I am not a career politician and have no intent of being one. I grew up in our city and plan to raise my family here. Our family has long roots in Santa Ana (1930's).

Goal: Bring people together. It takes a community to raise a family. I will continue building bridges between local businesses, neighborhood associations, P.T.A.'s and service providers.

Education: We must make our schools safer and conducive to positive learning; preparing our youth for college.

Business: I believe in keeping residents' dollars in Santa Ana. I will develop an Incentive Program to bring together local businesses and residents.

I believe in building bridges and focusing on strengths, while putting special interests and differences aside.

I respectfully ask for your vote.
